Revision: **B**  
Date: 12.11.06

[10:00:50 AM] Linda Lacelle: i'm looking through the curent bom and the new IIN, and for the 205 kit, i think we have to change the MS28778-6 for a MS29512-06, is this correct>?

[10:01:44 AM] Linda Lacelle: and for the 412 kit, i have to remove the D3297-3-085, and replace it with a D3297-1-0121 and remove completely the AN832-6D, is this correct?

[10:05:06 AM] Roberto Fuentes: Yes, Oring is change, you are correct, it is required to update the kit per the new part list, ane replace the hose line and the fitting according.

Linda Lacelle
